WINERY

The Winery, located inside a magnificent Château, is designed in the style of a 16th century French royal retreat. Framed by 200 acres of vineyards, the Winery produces more than 20 different vintages which have been awarded more than 275 national and international awards. Inside the Château are three restaurants, conference facilities, an art gallery, wine market, gift shop, Culinary Studio, cask room, and in the expansive cellars, a full-production winery and the largest producer of premium and varietal wines in Georgia.

WINEMAKING

At Château Élan, winemaking is art and science, tradition and modern technology. Our winemakers have come from generations of French, German, American, and Australian wine philosophies, blending the best of the old ways with the best of the new. The grapes are picked by hand to ensure that only the finest fruit is chosen. White grapes are pressed as a whole cluster. The juice is then fermented in temperature-controlled stainless steel tanks. Red grapes are destemmed and crushed. The skins, pulp and juice are then fermented in stainless steel tanks. Pressing of the red wine occurs after fermentation. Wines are aged in a variety of French and American oak barrels. The Château also houses the bottling, labeling, and distribution of the wines.

VINEYARDS

The vineyards are planted with *Vitis Vinifera* varieties, French-American hybrids, and native Southern American grapes. The grape varieties include Chardonnay, Riesling, Cabernet, Sauvignon, Merlot, Cabernet Franc, Chambourcin Seyval Blanc, and Muscadine. Due to the humid climate in Georgia, Château Élan developed innovative methods for premium grape growing such as keeping the vines high off the ground and further apart allowing for better ventilation. This attention to detail has literally born fruit. The harvest is more abundant each year.

WINE MARKET

Open Monday through Friday 10 AM – 9 PM, Saturday 10 AM – 10 PM and Sunday 10 AM – 8 PM, the Wine Market sells Château Élan wines along with a unique blend of merchandise including wine related items, tableware, gift and decorative items, gourmet foods, children's items, clothing, and seasonal items.
