Marriage License Laws of Georgia

The bride and groom must each be 18 years of age to apply for a marriage license without parental consent. Non-residents of Georgia must apply for a license in the county where the marriage is to be performed (Chateau Élan is in Barrow County). Georgia residents may apply in any county.

As of July 31, 2003 no blood test is required to apply for a marriage license.

Applications for the marriage license must be made in person at the county's probate court. The bride and groom applicants must present two valid forms of identification (birth certificate, driver's license, U.S. passport, Armed Forces ID card, Resident Alien ID card) and fill out a brief form.

Applicants, who have been divorced, must present a copy of the divorce decree in person.

The licensing fee ranges from \$35- \$51, and most counties only accept cash. A marriage license is issued at the time of application, and there is no waiting period before the marriage can take place.
